EXPERIENCE

EY-PARTHENON

Consultant (MBA Internship)

Dallas, Texas

June 2025 – August 2025

- Drove cross-functional governance for a multibillion-dollar carve-out, implementing RAID and TSA frameworks to mitigate risks and ensure deal-readiness.
- Developed spin-off costing proposal and strategic Oil & Gas account primer to capture new market opportunities.

MTN (Africa's Largest Telecommunications Company)

Manager, Business Strategy

Ikoyi, Lagos

September 2023 – July 2024

- Partnered with executive leadership to drive enterprise-wide expense efficiency initiatives across business and technology functions, delivering \$18.5M in sustainable cost savings.
- Designed consumer product portfolio performance model to inform executive trade-off decisions, streamlining portfolio by 80% and supporting 9% revenue growth through cross-functional alignment.

TRANSPORT SERVICES LIMITED (TSL)

Chief of Staff

Ikoyi, Lagos

January 2021 – August 2023

- Executed strategic initiatives as CEO partner, streamlining cross-functional coordination to deliver a \$150k office redesign project ahead of schedule and with ~\$20k in cost savings.
- Led asset productivity turnaround for logistics fleet, increasing operational capacity by 56% in 6 months and improving revenue and cashflow stability.

KPMG

Analyst to Senior Associate, Management Consulting

Victoria Island, Lagos

September 2017 – January 2021

- Developed and executed change management strategy for CRM transformation in a large tier-1 commercial bank, enabling a 3% uplift in client revenue within the first year of deployment.
- Delivered strategy revalidation support for tier-2 commercial banks, integrated macroeconomic research, industry outlooks, current-state analysis, and competitor benchmarks to identify growth and investment priorities.
- Performed organizational and staffing analysis for a regional insurer, assessing structure, role design, and headcount efficiency to recommend an optimal operating model aligned with growth and profitability targets.
- Led a team to review, redesign, and document processes for an educational services client, increasing operational efficiency of back-office functions through a 15% reduction in process turnaround time.

WEST AFRICA VOCATIONAL EDUCATION (WAVE)

Strategic Programs & Business Intelligence Lead

Yaba, Lagos

July 2015 – August 2017

- Built the organization's corporate training practice to expand income for sustained impact; wrote proposals to bring in new clients, and designed tailored training programs, which contributed 30% to earned revenues in its first year.
- Championed redesign of the recruitment process through experimentation, enhancing yield of unemployed youths admitted into job skills training program by 60% and saved over 200-man hours monthly.

EDUCATION

GEORGETOWN UNIVERSITY, McDonough School of Business

Master of Business Administration

Washington, DC

May 2026

- Lo Family Endowed Scholar, Small Business Corps Fellow, Leadership Fellow, Dean's List (Top 10%)
- Admissions Ambassador, Career Peer Advisor, Teaching Assistant and MBA Tutor
- Co-President, Georgetown Consulting Club; Co-Chief of Staff, Graduate Student Government, Admin Branch

UNIVERSITY OF BENIN, Faculty of Social Sciences

Bachelor of Science, Sociology & Anthropology

Benin City, Edo

February 2014

- Deputy Clerk of Parliament, Sociology and Anthropology Students Association
